

Policy Title: PERSONNEL	Date Revised 2/13/2001
Application process	Code No. 510.5

Applicants considered being the best qualified are recommended by the school administration for employment in the Genesee Joint School District #282. The process of staff selection will be kept free of all pressures considered detrimental to the best interests of the school district.

When developing job descriptions, an emphasis will be placed on the hiring of professional education personnel who are adept at providing for curricular adaptations based on individual student needs.

Applications for employment in the Genesee Joint School District #282 will be accepted and screened on the basis of merit without regard to race, creed, color, sex, age, personal friendships, and/or relationships to other employees or Board of Trustee members of the Genesee Joint School District #282.
