

Genesee Bulldog Booster Club Board of Directors

Meeting on 9/17/2014

Called to order at 6:38pm at Genesee Points of View in Genesee, ID.

In attendance:

Board Members: Wendy Funke, Sheri Cornell, Lisa Odenborg, Allison Allen, Erika Odenborg, Missy & Art Lindquist, Wendy Woods
Guests: Shoni & Brandon Graves and Jeremy Cerovski
Minutes from previous meeting were reviewed and approved.

Old Business

Membership BBQ – 70+ members signed up at BBQ. Ran out of food. Need to consider more food next year. Missy mentioned the night went well. Set up and take down went smoothly. Sheri mentioned that maybe one negative was no tables. Wendy F. mentioned maybe next year advertise earlier about “tail gate”.

Revise Bylaws – Will look over and finalize at the next meeting.

New Business

Treasurer’s Report – Missy reviewed account balances.

Membership Report – Missy and Allison compared membership numbers. We have around 72 and 73 members.

Spirit Coordinator – Discussed Bulldog football toss. We will skip Homecoming and do Senior Night. Talked about having tattoos and pompoms. Because we have a lot of bumper stickers, we could give those out also. Other suggestions.....Bulldog bracelets and keychains.

Clothing – Sheri was asked why the latest order form was only given three days. She explained that it was because the school moved Homecoming up by a week. The order will be going out tomorrow morning. IN order for the order to make it on time, \$2.50 was added to each item for quicker shipping. Next order will be around Thanksgiving. It was mentioned that we should consider pay periods and we should try to get product by December 19. Extra apparel will be coming with the current order, but will be on a first come, first serve basis.

Quad game – December 13 was discussed. We talked about how much work it is for little gain from a funding perspective. We talked about maybe doing something different and giving it to another organization.

Fund Raising Ideas - Motorcycle raffle discussed. Brandon & Shoni (our guests) proposed the idea modeled after a town in the Midwest. Sell X amount of tickets and purchase a motorcycle or ATV with half the money and the other half is the profit for the Booster Fund. It was discussed that we would need to start early in the year, like in June at Community Days and keep it open through Xmas or a spring time and find a time to announce it. If not enough money raised to purchase the machine, then the money would be shared 50 x 50. More discussed to come on this, but very interesting and the group was interested in discussing again.

Next meeting scheduled for 10/15/2014 at 6:30 pm
