Clothing – Sheri gave a count of clothing items she has in inventory. Need to let folks know we have things for sale. Next order will be around Thanksgiving we will try to get product by December 19.

Fundraising **Quad game** – December 13 – we are going to give away to Kanikkeberg organization if they want it. Since the Dig 4 Pink was so much fun and it brought a lot of spirit to the community, we are going to try a 'Blue Out the Gym' night instead on Dec 19 at the Boys basketball game vs Prairie. We will have spirit/participation competitions amongst the classes and we will give them ice cream or something and a trophy that will travel. Trophy will live with the class Advisor until the next year. We will raffle off a District Pass/Chair and some clothing in grouping at half time of the Varsity game. We will also look into food items to purchase and sell to patrons. It was discussed to let Caldwell know what we are selling for food so he can email Prairie so they are aware. Missy and Lisa were going to look into pricing at a few restaurants in Lewiston and we will discuss more at the next meeting.

Buck for Bulldogs - We stuffed the Bucks for Bulldogs letters to be mailed. Missy explained that this is our largest fundraiser. Missy was going to email the list so board members can add any other businesses or individuals who may want to participate.
