## Message to Groups Who Award Local Scholarships

I will be meeting with the senior class soon to go over the application processes for this year's local scholarships awarded at graduation. **I will presume your group will be awarding your scholarship(s) for graduates this year similarly to what your group did last year unless you contact me to let me know something different.** Please contact me as soon as possible if you need to change the amount of your scholarship, you will no longer be offering a scholarship or if you want to start a new scholarship for Genesee graduating seniors. Thank you.

## Military Service Academies Presentation at L.H.S. on March 2, 2017

**All students in grades 8-11 and their parents are invited to attend.**

Service Academy Day is an event at Lewiston High School on March 2<sup>nd</sup> from 6:88-8:00pm. LHS is located at 1114 9<sup>th</sup> Avenue. The presentation will be conducted by Academy liaisons, Cadets and Midshipmen. They will describe life and school at the academies and information will be provided about different avenues for gaining an appointment to one of the nation's military academies, including how to best prepare yourself to be competitive for a congressional nomination coming out of high school, as well as the option of an appointment after you enter college and join a college ROTC program.

## JUNIORS: Idaho School Day SAT on Tuesday, April 11<sup>th</sup>

All Idaho public school students are required to take a college entrance exam before the end of their junior year to meet Idaho state high school graduation requirements. Currently only the SAT or ACT are tests accepted to meet this requirement. (Idaho Administrative Code 08.02.03.105.03 College Entrance Examination.)

To help Idaho students meet this requirement the Idaho State Department of Education (S.D.E.) has a contract with The College Board, the company who designs and administers the SAT test. Under this contract the S.D.E. will pay for all Idaho public school juniors to take the SAT on the morning of Tuesday, April 12<sup>th</sup>. The SAT is the appropriate test to take for students considering and/or planning to pursue a four year college degree.

**Please do everything in your power to ensure your son or daughter in the junior class will be in attendance all day on Tuesday, April 11<sup>th</sup>.** Feel free to contact me if you have any questions about the IDAHO SAT test or the COMPASS test at [jscripser@sd282.org](mailto:jscripser@sd282.org) or by phone at 285-1162.

## Local Scholarship Applications Due By Thursday April 13<sup>th</sup>

Information about applying for Genesee local scholarships was made available to all members of the senior class in early February. All the applications are available online on the Genesee School District web site at [http://www.sd282.org/guidance/scholarships/Local\\_scholarships.pdf](http://www.sd282.org/guidance/scholarships/Local_scholarships.pdf). Here you will find a table listing each of the scholarships by name, a brief description of the selection criteria for each scholarship and a link to each application form in the far right column. The application forms are all Word documents which can be filled out online and then printed or saved to your own computer to be completed and printed later. I recommend using Google Chrome as your browser when working with these application forms.

Please contact Mr. Scripser at [jscripser@sd282.org](mailto:jscripser@sd282.org) or at 285-1162 if you discover any bugs in the digital forms or if you have any questions about the local scholarship application process.
