Message to Groups Who Award Local Scholarships

I will be meeting with the senior class soon to go over the application processes for this year's local scholarships awarded at graduation. **I will presume your group will be awarding your scholarship(s) for graduates this year similarly to what your group did last year unless you contact me to let me know something different.** Please contact me as soon as possible if you need to change the amount of your scholarship, if you will no longer be offering a scholarship or if you want to start a new scholarship for Genesee graduating seniors. Thank you.

JUNIORS: Idaho School Day SAT on Tuesday, April 10th

Beginning with the 2011-2012 school year, all Idaho public school students are required to take a college entrance exam before the end of their junior year to meet Idaho state high school graduation requirements. (Idaho Administrative Code 08.02.03.105.03 College Entrance Examination.)

To help Idaho students meet this requirement the Idaho State Department of Education (S.D.E.) has a contract with The College Board, the company who designs and administers the SAT test. Under this contract the S.D.E. will pay for all Idaho public school juniors to take the SAT on the morning of Tuesday, April 10th.

If preferred students can also meet the college admission test graduation requirement by taking the ACT test before the end of your junior year, but the student will be responsible for the testing fee and you must plan to take it on one of the Saturday national test dates.

The SAT on April 10th will take all morning, starting just after 8:00am and running through the lunch hour. The school will provide snacks during the test as well as lunch after the test before releasing students to their afternoon classes.

Please do everything in your power to ensure your son or daughter in the junior class will be in attendance all day on Tuesday, April 10th. Feel free to contact me if you have any questions about the IDAHO SAT test at jscriptor@sd282.org or by phone at 285-1162.

Local Scholarships for Graduating Seniors

Genesee School is fortunate to have an extremely generous local scholarship program which awards scholarships to many of our graduating seniors every year. **I will speak to the seniors about the application processes for these local scholarships this month.** None of the local scholarship applications are very extensive and seniors will have at least two months to complete their application forms and supporting documents.

If you want to dedicate time preparing for those applications now I would recommend working on compiling a list of your High School Activities. Your list should include sports, clubs and community service you have participated in and how many years of high school you did each of them, leadership positions you have held in any of those activities and any awards or recognition you have earned in those activities. Otherwise, college-bound seniors would be well-advised to make sure they are completing their college admission forms and supporting documents or applications for scholarships from outside agencies.
